3 Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A Form of Proxy which may be used to make such appointment and give proxy instructions accompanies this notice. If you do not have a Form of Proxy and believe that you should have one, or if you require additional forms, please contact Computershare Investor Services (BVI) Limited, c/o The Pavilions, Bridgwater Road, Bristol, BS99 6ZY

4 To be valid any Form of Proxy or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at Computershare Investor Services (BVI) Limited, c/o The Pavilions, Bridgwater Road, Bristol, BS99 6ZY no later than 11.00 BST on 27 May 2024 or 48 hours before any adjourned meeting.

5 The return of a completed Form of Proxy, other such instruction or any CREST Voting Instruction (as described in paragraph 9 below) will not prevent a shareholder attending the AGM and voting in person if he/she wishes to do so.

6 Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, entitlement to attend and vote at the AGM and the number of votes which may be cast thereat will be determined by reference to the register of members of the Company (the "**Register of Members**") at close of business on the day which is two days before the date of the meeting (or in the case of an adjournment as at close of business on the day which is two days before the date of the adjourned meeting). Changes to entries on the Register of Members after that time shall be disregarded in determining the rights of any person to attend and vote at the AGM.

CREST Personal Members or other CREST sponsored members, and those CREST Members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

9 In order for a voting instruction made using the CREST service to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent ID **3RA50** by 11.00 BST on 24 May 2024. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

10 CREST Members and, where applicable, their CREST sponsors, or voting service provider(s) should note that Euroclear does not make available procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST Member concerned to take (or, if the CREST Member is a CREST Personal Member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST Members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
